Dear Parents / Carers

On **Friday 3rd November** we are holding our class assembly, where the children will be sharing their learning with you. The children are busy learning songs, creating art work and learning stories to share.

As part of our assembly we will be celebrating the harvest and thanking our farmers for the produce that they grow. Therefore we will be asking the children if they would like to contribute an item of food towards Daventry Food bank. The food bank provides emergency food and support for local people who are in crisis. If you would like to donate an item then below are some of the items they give out.
