WELL DONE!

Reception are wondering if you are able to provide any of the following resources:

- ◇ Tree stumps for sitting on.
- ◇ Small log slices.
- ◇ Cable reels
- ◇ Bread and milk crates
- ◇ Stainless steel tea pots, milk jugs etc..
- ◇ Metal trays.
- ◇ Old picture frames.

SPORTS ACHIEVEMENTS

Last week some Y3/4 children enjoyed the opportunity to go and learn how to play squash at Daventry Squash Club. Their behaviour was fantastic and they listened well to the instructors.

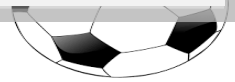

A lot of the children said afterwards that they would love to go and play squash again!

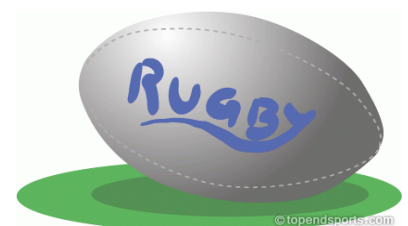

Last week we won a trophy!

Our A and B football team made us immensely proud when they came 1st and 3rd respectively out of 9 teams at the Y5/6 Football Tournament. Both teams put their all into it which was wonderful to see! The A team won all their matches and have qualified to progress onto the next round next month. The B team only lost 2 of their matches (unfortunately one of these was against the A team!) and they were so proud of their friends,

A huge well done to them all.

On Tuesday some of our Y5/6 children completed in a tag rugby tournament. They really come together as a team to win 4 of their 7 matches and coming in at 4th place out of our 8 teams. Their enthusiasm was unbelievable and they stayed positive even when things got tough. They were gracious in their wins and always shook the hands of the other team. Well done to you all. Your smiles in this picture are the reason we do what we do!

REMINDERS AND UPDATES.

NUT FREE SCHOOL

We have had reports of children bringing cakes and chocolate bars containing nuts/nuts essence. Please remember no nuts in school due to allergies.

Earrings Reminder

Can we please remind you that as part of our uniform policy, earrings are not permitted and must be removed before coming to school?

Thank you.

Hair Decoration

Children are allowed to wear bows in their hair and our Uniform Policy has been updated to reflect this.

Parking reminder

Can you please be mindful of where you park when bringing your children to school as a member of the community has informed us that a vehicle was blocking their drive. In the event of an emergency an ambulance or fire engine would have not been able to access the property.

Teaching in Year 1

It was fun teaching in year 1. I was able to help the younger children and it helped me to work on my explaining of addition and subtraction. I thought that I would get things wrong and then I would confuse the Year 1s but I was able to teach them about addition and subtracting to 20. I think they learnt more than they thought they were going to and they are now more confident. It was so fun that I wanted to do it all day.

Goodbye & good luck

Today, we say goodbye and good luck to Mrs Szikora, who is leaving us to walk many new paths. Mrs Szikora has worked at The Grange School for many years and I know we will all miss her very much. We wish her every happiness for the future.

Why doesn't my teacher mark my book?

1. I learn more if I listen to verbal feedback about my progress.
2. I'm a more independent learner if I evaluate my own progress.
3. It helps me to talk to a partner about my work.
4. I progress more quickly if I decide when I'm ready to move on.
