

16<sup>th</sup> March 2018

Dear Parent / Carer,

As you may have been made aware by your child, our theme earlier this year was entitled 'Is There Anybody Out There?' As part of this theme we investigated the planets in our own solar system, the history and future of space travel and thought about whether there could be life beyond Earth.

To consolidate this learning, we have booked to visit the National Space Centre in Leicester. All activities will be entirely age-appropriate and during the visit, children will get a chance to engage with the variety of exhibits around the centre and investigate what life is like in space during the 'Astronaut' show in the centre's planetarium. The visit will take place on **Friday 20<sup>th</sup> April.**

The cost of this trip will be £13.00 per student. If you are in receipt of Pupil Premium Vouchers these may be used for this purpose. Payment can also be made via Parentpay. Please fill in and return the slip below with payment by Thursday 29<sup>th</sup> March.

Yours sincerely

Helen Hiam, Janet Hunt and Lizzy Cuthbert  
Year 5 Teaching Team
