

*Welcome to Week 5 - already! Only 3 weeks until half term and still lots to fit in. The children are all well-established in their new classes now and are enjoying their learning for this term. I love seeing them around school and hearing all about their new knowledge. Remember, you can support your child's learning by talking to them about their lessons.*

Vicki M M Masters Head Teacher

## THIS WEEK'S MATHS LEARNING

**EYFS - GROUPING, SORTING, COMPARING**

**YEAR 1 - ADDITION NUMBER BONDS**

**YEAR 2 - ADDITION & SUBTRACTION**

**YEAR 3 - ADDITION & SUBTRACTION**

**YEAR 4 - ADDITION & SUBTRACTION**

**YEAR 5 - ADDITION & SUBTRACTION**

**YEAR 6 - MULTIPLICATION & DIVISION**

Year 1 children will continue learning about the weather this week. In PSHE, they'll be thinking about how to solve friendship issues for themselves.

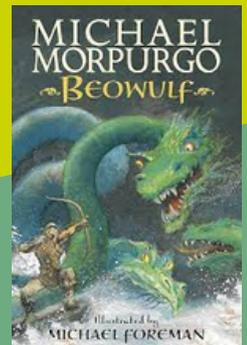

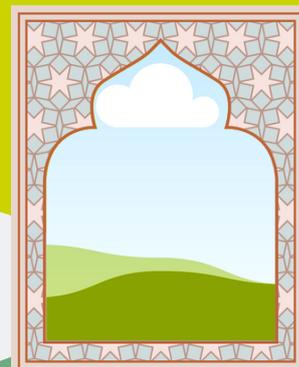

Year 3 children have a very busy week. They will continue to learn about magnetism in science. They'll continue exploring how land is used in their local area and will identify physical features of the landscape.

The children will be introduced to a significant figure from history this week; learning about Boudica and her place in history.

Year 5 children are taking what they know about Anglo-Saxon Britain and seeing whether any traces of it remain today. Ask them about English place names, what they mean and where they came from! In dance, they'll be Anglo-Saxon warriors.

Y5 children will continue their work on Beowulf and will soon begin the final chapter of the story.

Year 6 children will continue to improve their knowledge of Islam and the Islamic Empire. They'll be considering what it would be like to live in the desert. They'll also compare the Golden Age of Islam with London in the Dark Ages - which will they prefer? They'll also learn more about Islamic architecture.

EYFS Children will be learning how to take care of their environment this week and will be practising communicating effectively with their friends.

Year 2 children will be learning about woodland habitats this week. They'll be visiting the woods and will be completing art activities there.

Year 4

Children in Year 4 will learn more about tropical rainforests this week, discovering who lives there. They'll be introduced to a new text, which will help them with their new learning. They'll also continue to explore the rainforest in their dance lessons.
