## **Open Registration**

Morning all!

Every morning, we are holding an open registration session between 8:45 - 9:30, via Zoom.

Your child is expected to 'register' with their class each morning. We've provided this as an open session so that all the children in your household get a chance to check in with their teacher each morning. This is also vital for us as we have to continue to register and report on children's attendance. Our usual attendance procedures are in place, so if your child doesn't register, we'll call you in the same way as we would if they didn't register at school.

If your child is in school, then they obviously, don't need to do this!

The links to this session are in Classroom Dojo and will also be added to Google Classroom today.

Please don't panic about this new arrangement. Today is very definitely a dress rehearsal and we'll get it right over the next few days. Remember, we're all in this together! Good luck!
