

MUSEUM

Dear parents / guardians,

Our children have worked so hard on their homework projects this term that we would like to celebrate their achievements and the stunning work they have produced. They have shown amazing creativity, imagination and perseverance in order to create projects that have really amazed us. We want to share this with you!

To this end, on Wednesday 7th November we will hold a whole school celebration day, where we will create a "museum" to showcase all of their fantastic work.

The children will all have the chance to visit the museum throughout the day and we would like to invite parents to join us from 2.30pm. When you arrive, we will send a messenger to pick up your child and they will meet you in the KS2 hall. You will then be able to explore the museums together, before they return back to class for the end of the day.

Please complete the attached slip and return to us by Friday 2nd November if you will be able to attend.

Many thanks

Caroline Colledge
