Data Headlines from 2017 - 2018

School leaders are determined to improve provision for, and the progress and attainment of, pupils who receive the Pupil Premium. The data evidences the success of their drive to ensure that provision in EYFS diminishes any pre-existing gaps and prevents any new gaps forming. The % of PP pupils achieving the early learning goals was above national averages in Self Confidence and Self-Awareness, Listening and Attention, Moving and Handling and Health & Self Care. The % of PP pupils exceeding the early learning goals was above national averages in all areas except writing.

In Y1 phonics - the % of PP pupils passing the phonics screen is now on an upward trend and exceeds the national average. As a result of targeted school improvement measures, there was a very significant improvement in this from 2017 to 2018. At KS1, PP attainment at the greater depth standard in reading is now within 3% of the attainment of all pupils. At KS2, PP attainment in writing increased compared to 2017 and is above the national average. The gap between PP and all pupils has narrowed to 2%.

Barriers to future attainment (for pupils eligible for PP, including high ability)

In-school barriers	
A.	Communication, speech and language skills of PP children are often lower on entry to school, (compared to all pupils), which then impacts on their attainment throughout their school life
B.	In some cohorts, PP pupils attain less well than all pupils, including some high ability pupils who are eligible for PP
C.	A higher percentage of PP pupils (compared to non-PP pupils), require social and emotional support

D.	Often PP pupils have a wide range of vulnerabilities, which can hinder accurate identification of the reasons for under-achievement
External barriers	
E.	Parents of some PP pupils, require additional support in order to engage with the school and their child's learning
F.	The attendance of some PP pupils, is below that of non-PP pupils in the school; including rates of persistent absence

Desired outcomes 2017 - 2018		
	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	Maintain improvements in Speech, Language and Communication in EYFS, and pre-school pupils and implement best practice and provision across the school. Ensure that the SL&C needs of pupils are swiftly identified and timely intervention is provided.	<p>Sustained implementation of Tuesday Tots (a parent & toddler group) focusing on SLC.</p> <p>Existence of sustainable provision for 2 year olds, with high quality SL&C provision.</p> <p>Speech, Language and Communication measures in EYFS, are improved further from 2017/2018.</p> <p>Improvements to SLC result in improved attainment in early reading.</p> <p>Improvements in the universal offer for vocabulary development lead to improved attainment in reading.</p> <p>The gap between pupils eligible for PP and non-PP pupils continues to diminish.</p> <p>CSI Team able to prove the impact of their support for teachers in providing the universal offer for SL&C.</p> <p>CSI Team able to prove the impact of their intervention work with those pupils identified as having additional needs in SL&C.</p>
B.	Higher rates of progress in all year groups for pupils eligible for PP, including those with the potential to attain highly.	Any existing gaps between PP and non-PP pupils' attainment will be diminishing.
C.	Social and emotional issues of PP pupils continue to be addressed.	<p>Establish a well-being tracker to gather SEMH information and inform future provision planning for PP pupils.</p> <p>Wellbeing trackers to show some improved SEMH in PP pupils, with some improvement in attainment also evident.</p>
D.	To achieve clarity around the precise needs of under-performing PP children, identify their vulnerabilities and ensure that these needs are being met.	<p>Under-performing PP children to be assessed re SEND, SEMH, attendance, any other barriers to learning.</p> <p>Individualised plans and programmes in place to address identified needs. Provisionmap used to track provision for PP pupils.</p> <p>Individual attainment and progress to be improved in direct relation to the additional support implemented.</p>

E.	Attendance of PP pupils being managed effectively.	<p>The attendance of PP pupils will have improved compared to 2017/2018.</p> <p>Rates of persistent absence of PP pupils will also improve.</p> <p>There will be effective and comprehensive support programmes in place to address attendance issues.</p>
