

November 2018

Dear Parent / Carer

Throughout the year we will be planning visits into our local environment, this will include walks and activities around The Grange estate. Due to the way in which we plan and teach in Nursery; working from the children's interests to develop their skills, some of these visits will happen with very short notice.

We are asking for your permission to take your child out of the school grounds when these activities are planned. We will always work within the appropriate ratio for their age and you will be informed before any visit takes place; either by letter or a message on SeeSaw. If you have any questions, please see your child's key worker.

Please return the permission slip by **Thursday 22nd November** to allow your child to take part in the first visit on **Friday 23rd November**.

First Visit-Friday 23rd November

As a result of the children's continued interest in writing cards and letters, we would like to show them what happens when they post a letter in the post box. This week we will be using the story 'The Tiger Who Came to Tea' to enhance our learning; we will be writing an invitation to one of our toys at home to invite them to a tea party. Once we have written the letters we will be walking across Tamar Square to the post box to post our letters.

Thank you

The Nursery Team

I give permission for my child _____ to take part in activities and walks around the Grange estate from **Friday 23rd November 2018** until **Wednesday 24th July 2019**.
