

How to keep your hands clean (a guide for children)

- 1 - You will clean your hands with soap and running water at regular intervals throughout the day.
- 2 - Sometimes, your hands will be cleaned with hand sanitiser.
- 3 - You will always clean your hands at the following times:
 - When you arrive at school
 - When you come in from break times
 - As you leave your classroom to work in a different space
 - As you re-enter your classroom after working in a different space
 - Before PE
 - After PE
 - Before eating
 - After eating
 - Whenever you use the toilet
 - As you leave school
- 4 - You may also be asked to clean your hands at other points throughout the day
- 5 - The use of hand sanitiser will be supervised
- 6 - You will be taught how to wash your hands in a COVID-secure way. You will be reminded of this daily.
