Dear parents, carers and children,

We hope you are all as excited as we are to be going to the Isle of Wight on **Monday 5th of June**.

I am writing to inform you of a couple of changes to the itinerary and kit list.

On the morning of Thursday 8th June, we will now be visiting **Sandown beach** instead of doing the Tennyson Downs walk. Our tour operator felt this activity would be better suited for our children. When we go to the beach, we would like to let the children **paddle in the sea**. The children will not be swimming in the sea and will remain dressed whilst they paddle. For us to be able to allow your child to paddle in the sea, we will need your written permission. When you bring your child to school on the Monday morning, there will be a form for you to sign to either give or withdraw consent for this activity. Please could you also pack your child **a hand towel in a carrier bag** so they can dry their feet after visiting the beach?

I have been informed by the tour operator this evening that the children will all need to bring a **sleeping bag** with them. Please accept my apologies for the late notice of this information. I had previously checked with them and they had told me that all bedding was provided. I have now been told that the children will **only** be provided with an undersheet and pillow. I have expressed my disappointment on your behalf and have told them that I am extremely unhappy with the pressure they may have put on you to sort this at short notice. If this is going to cause a problem for you or if you have any other queries or concerns, please feel free to email me (mrs.wagg@thegrangeschooldaventry.net)

I have attached an amended version of the parent booklet to this form and have highlighted the changes in yellow.

I am looking forward to seeing you all on Monday 5th June.

Kind regards,
Elaine Wagg
