Dear Parents / Carers,

Nursery & Reception parents / carers - please be aware that the information you have been given about start dates and part-time hours is the correct information. Nursery & Reception children have different starting arrangements to the rest of the school. Further, detailed information will be sent to you about entry to the school etc, closer to the children's start date. The general information we are sending out will still be useful to you as much of it will apply to your child.

All parents / carers - attached to this email, you will find the latest three guides to help you and your children prepare for the return to school. These cover:

- 1 - How we will keep school clean as a control measure
- 2 - How we will ensure that children wash their hands throughout the day
- 3 - What your child needs to bring to school

These are also available on our school website:

Thank you for your continued support,

Vicki & the team.
