

Once upon a time...

Saplings

Spring Term 1

The Gingerbread Man

We will be retelling the story and joining in with the repetitive phrases. We will also be having races to see who is as fast as the Gingerbread man. Can we get the Gingerbread man across the river safely? What could we build to help him?

Little Red Riding Hood

We will be creating some art work to help decorate Grandma's house. What do you think she would like? Flowers, rainbows, family portraits?

Phonics

The time has come to begin our phonics learning. We will be teaching new sounds each week - keep an eye on SeeSaw we will share our learning with you.

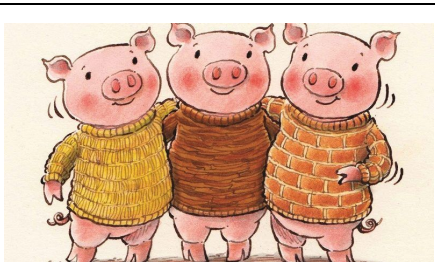

Goldilocks and the three bears

We will be making some porridge like the three bears, learning how to measure the ingredients. Then we will need to share it with our friends. We will also be learning a new song using some more signs.

Jack and the Beanstalk

We will be learning how to measure and compare size. Who is our class is the tallest? Is Mrs Winterbourne shorter than Mrs Hancock?

Name Writing

We have also begun to practise our name writing in the mornings. I'm sure you will have noticed our letter formation has changed, we will be sharing the formation of the letters as we teach them. Please help your child to use the correct formation.

The Three Little Pigs

We will be having a **WOW!** day! On Friday 8th February your children can come into school dressed as a builder or one of the characters from the story. During the day we will be doing lots of fun activities related to the story including building our own houses.
