Features and Benefits

Netflix Parental Controls allow you to restrict access to the content of varying maturity levels. You can create individual profiles with different control levels suitable for toddlers, younger and older children, teens and adults. These need to be set on a computer to cover all devices.

What specific content can I restrict?

Innapropriate content

Media streaming

Parental control

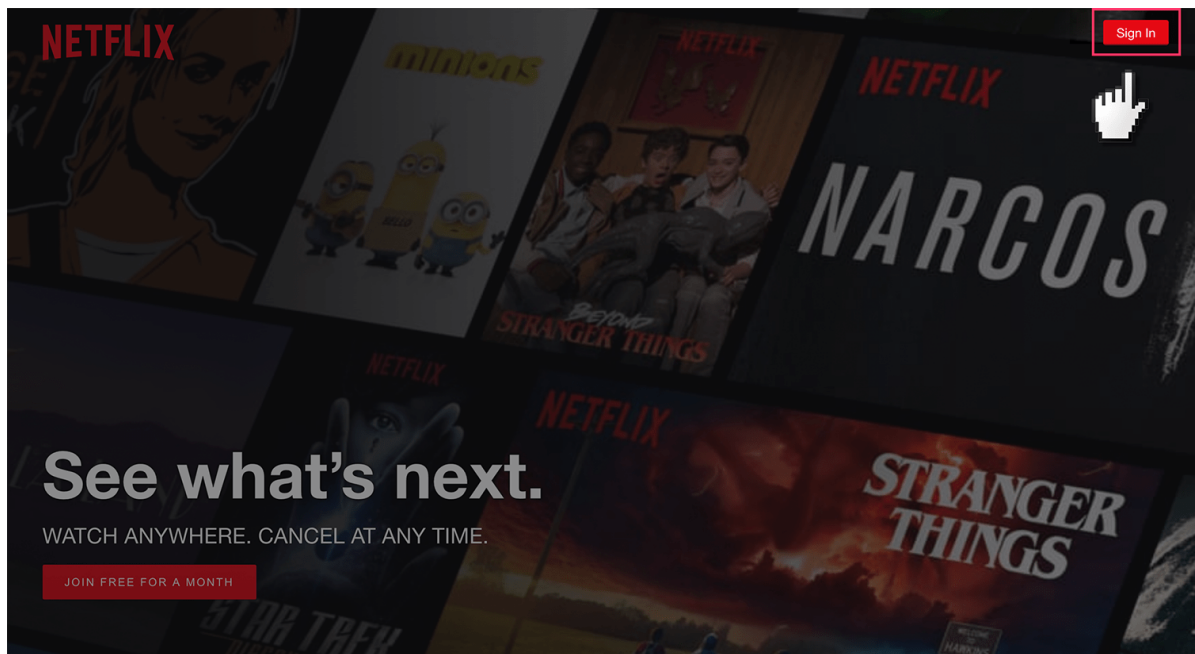

What do I need?

Access to a computer and a Netflix account (Email and Password).

Netflix parental controls guide

As the primary account holder, you have two options for controlling viewing on the account. By setting a 4 digit PIN or setting a maturity level on a profile. While on your browser go to netflix.com and click 'Sign in' and enter your login details.

Manage Profiles Click “Manage Profiles” and then select the profile you want to manage

Netflix parental controls guide

You can choose a few settings. You can tip the child box, choose allowed TV programmes and films and Autoplay controls. Click “Save” to save your settings, then click “Done”.

The screenshot shows the 'Edit Profile' interface on a dark background. At the top, the title 'Edit Profile' is in white. Below it is a yellow profile picture of a smiley face. To the right of the picture is a text input field containing the name 'Charlie'. Further right is a checkbox labeled 'Child?' which is checked and highlighted with a red rectangle. Below the name field is a 'Language:' section with a dropdown menu showing 'English'. Underneath is the 'Allowed TV programmes and films:' section with a dropdown menu showing 'For older children and younger', highlighted with a red arrow. Below that is the 'Autoplay controls' section with two checkboxes: 'Autoplay next episode in a series on all devices.' and 'Autoplay previews whilst browsing on all devices.', both highlighted with red arrows. At the bottom left, a red arrow points to the 'SAVE' button, which is highlighted with a red rectangle. To the right of 'SAVE' are two other buttons: 'CANCEL' and 'DELETE PROFILE'.
