

# THE GRANGE SCHOOL

together with...

We need your help and support this Christmas.

Once again The Grange School is partnering up with the Food Bank in Daventry, care of Vineyard Community Church to help and support local people and families in times of real need this Christmas.

Along with many organisations, churches, families and individuals, we are asking if you would be willing to donate just one item from the shopping list to produce a Christmas Food Hamper.

Each Christmas Food Hamper will provide all of the essential ingredients needed to help make this Christmas special and each class will be asked to produce one hamper.

Many items listed will already be in your kitchen cupboards, just make sure when donating any items they have long 'use by' dates or when you next go shopping just add an extra item to your normal food shop. This list makes up one complete Christmas hamper.

All items will need to be in school by Monday 3<sup>rd</sup> December.

Thank you for your kind generosity and for helping make this Christmas a special time for local people and families in need.
