Good morning,

We are currently in the process of updating our records. You may have recently completed a Data Collection Sheet, however, we are kindly asking that a new one is completed and returned to ensure that all of our records are up to date. We have included a couple of extra sections in the form regarding collection procedures and some important information regarding Pupil Premium. Please find the link for our Data Collection Sheet below, can we ask that the form is completed by Monday 13th September 2021?
