

How do I know that you will keep my child safe?

System of controls - This is the set of actions schools must take.

Prevention - We will always:

- 1) Minimise contact with individuals who are required to self-isolate by ensuring they do not attend the school.
- 2) Ensure face coverings are used in recommended circumstances.
- 3) Ensure everyone is advised to clean their hands thoroughly and more often than usual.
- 4) Ensure good respiratory hygiene for everyone by promoting the 'catch it, bin it, kill it' approach.
- 5) Maintain enhanced cleaning, including cleaning frequently touched surfaces often, using standard products such as detergents.
- 6) Consider how to minimise contact across the site and maintain social distancing wherever possible.
- 7) Keep occupied spaces well ventilated.

In specific circumstances:

- 8) Ensure individuals wear the appropriate personal protective equipment (PPE) where necessary.
- 9) Promote and engage in asymptomatic testing, where available.

Response to any infection

We will always:

- 10) Promote and engage with the NHS Test and Trace process.
- 11) Manage and report confirmed cases of coronavirus (COVID-19) amongst the school community.
- 12) Contain any outbreak by following local health protection team advice
