

# Who Let The Gods Out?

Spring Term 2019

Year 6

## Who let the Gods out?

Inspired by Maz Evans' series of books based on Greek mythology, our new theme is an exciting chance to learn about the Ancient Greeks. We will be learning all about the Greek myths and sagas, meeting many exciting characters and learning about democracy.

Theseus & the Minotaur

## Maths

In maths, the children will be working on all strands of our maths curriculum. We hope that by switching between the different areas of maths, we will be able to make links between the different areas and help the children to prepare for their statutory tests. We will be working on our reasoning and problem solving every lesson.

You can help your child by ensuring they log on to complete their MyMaths homework and also by revising known facts and times tables at home.

## English

In English, the children will be learning lots of new vocabulary in order to improve their ability to comprehend challenging reading texts. When reading, it is important for the children to summarise what they have read as well as explaining their opinions and feelings about the content. Discussions about authors known to them will help them to make links between different styles of writing.

Please encourage your child to read and discuss the content of what they are reading. Please remember we are working towards reading at least 9 books a month; these should be from different genres and could include non fiction.

## Living and Dying RE.

Year 6 children will be continuing to explore the beliefs of different religions around death. We will be learning to appreciate other people's point of view and be able to empathise.

### Homework project

Create a model of a famous Ancient Greek building or character.

Provide some facts/information about your chosen aspect.

### Spelling

Each week, your child will have a new list of words to explore, plus previously-learned words to recap on. Children are sometimes tested on the spelling pattern - not always the same words as in the list.

**Reminders:** PE kit needs to be in on Mondays and Fridays. Trainers need to be in school every day. Children should come prepared with the stationery that they will need to **'BE READY'** for lessons
