

# Reception Parents Information

**PE** - Please make sure that your child's PE kit is clearly labelled and in school all week.

**Water Bottles** - please write your child's name on their bottle and send water, not juice or squash. The children can use a cup and help themselves to water at any time if they do not have their bottle in school.

**Reading books** - Please bring your child's reading book to school every day and leave it in their group box in the morning. We keep a careful record of your child's progress but we may not always comment on your child's reading record sheet. However, if you have any questions about reading and wish to write them on the comment sheet, we will try to respond promptly. Reading books will be changed on Mondays, Wednesdays and Fridays, but you may find that we sometimes leave your child's book for an extra read to make sure that they are confident with their book.

**Seesaw and Dojo** - thank you to those of you who have signed up, these are great ways of finding out about what your child has been doing. We always welcome comments and information on Seesaw about what your child has been learning at home.

**Curriculum** - this term, we are learning about journeys through colour. We are hoping to explore colours in our environment by taking journeys through the school and the local area. We will be basing our learning on stories about colours and journeys.

We would enjoy seeing and displaying any artwork produced by you and your child based on colours that they see near their home or whilst out on walks.

Thank you,

The Reception Team.
