

YEAR 3 - GROW IT!

R.E.

Year 3 children will be learning about Peace and why we should give it a chance. They will be exploring examples of peace in our world.

Art and Design

In Art and Design the children will be basing their work on Georgia O'Keefe's flowers.

Spellings: Each week your child will have a new list of words to learn and previous spellings to recap.

Maths

The children will be using their mathematical skills to multiply and divide, and to tell the time.

Times Tables: Children will have their times tables homework recorded in their homework books.

Reading: Please continue to read with your child every day, so they are able to quiz on their reading books regularly and to complete their monthly 9 book challenge.

Grow it!

This term we will be finding out about plants and growth.

The children will be discovering the scientific ideas around planting, germination, plant growth, seed dispersal and life cycles.

Their English work will be based around the Tin Forest text.

The children will continue to develop their skills using paragraphs, reading for meaning and poetry. They will use a range of new vocabulary to help them with their science and theme work.

Homework project:
The children will be given a seed to grow, in a pot to decorate.
