## Could you be a parent governor?

Good morning

### Are you the person we're looking for?

We're currently recruiting to expand our Governing Body and have a vacancy for a Parent Governor. This is an interesting and varied role and is a crucial part of our drive to continue to make the school better for all children. Full training and induction is given and you will be joining a friendly team who will support you throughout each new experience. We really don't expect you to know how to be a governor, but we'd love you to come and learn alongside us. We firmly believe that we are all learning all the time so you really won't feel like the newbie!

We meet 6 times each year for 2 hours on a Monday evening. Between these times, we expect you to spend some time in school; keeping up to date with what we're doing to continue to raise standards. This is a very small amount of time, although we're always happy to welcome you if you want to visit more often.

Kind regards,

Vicki
